FOREWORD

Tamil Nadu Senior Professionals of Environment and Forests (TASPEF) acquired an identity of its own unobtrusively many years ago. In a way, it owes its origin to a simple tradition started long ago by Late Mr K R Venkatesan, IFS(Retd). He made it a practice for retired forest officers residing in Madras, now Chennai, to meet each month over a simple evening of refreshments including enough good cheer to make the meet flow along pleasantly. These were informal and lively meetings with comments, opinions, concerns, experiences and criticisms swapped around freely amidst liberal helpings of nostalgia. Over the last few years, the tradition continues, now in a different venue and under another name.

Mr V Sambasivam, IFS (Retd), was the first to visualise the use of a directory to locate forest officers in Tamil Nadu. His untiring efforts and perseverance now make the directory an established feature in TASPEF. 2024 welcomes the latest such directory. With WhatsApp now an established part of life, interpersonal communication can pose no challenge.

TASPEF now has a dynamic new President, Dr V T Kandasamy, IFS retd., who has defined the scope for communication, highlighting the "dos and don'ts" involved. Mr V. Prabhakaran IFS retd., is on the Editorial Board of TASPEF's periodical "Namathu Vanam" which includes some unique and interesting contributions. He makes sure that it is compiled and brought out attractively and punctually. Enthusiastic contributors and sources of valuable information include Mr G. Sivagurunathan, Mr R. Rajasekar, Mr K Dhanapal, Mr J. Suthakar Ambrose,IFS retd., Mr A. Somasundaram,IFS retd., Mr V Sundararaju IFS retd., retd, and several others, most recently fortified by Dr N. Krishnakumar IFS retd., and Mr T P Raghunath IFS retd.

The first flush of relief from the weight of service that retirement brings on to begin with, soon takes definite steps. There is plenty of time, and so much to do. Places waiting to be visited, interests like fishing, wildlife, birding, recreation, family outings and so on.

After a while, real life intervenes and takes over. Gregarious instincts make us want to know more about our peers, colleagues and seniors.

And the directory, the one you have now, will make all of this a pleasure to be savoured from time to time.

Best wishes,

M. Harikrishnan.IFS, PCCF, HOFF (R)

PREFACE

"More network , more friends and Happiness ; More happiness, More Health and Long life"

Nearly 2 decades old TASPEF has brought out the latest sixth edition of DIRECTORY OF RETIRED FORESTERS of Tamil Nadu that is in your hands now. The earlier releases were in the years 2006, 2010, 2013, 2016 and 2019 which were brought out by sincere and dedicated efforts of veteran Forester Thiru V.Sambasivam IFS that laid the basis for the present one as well. His contribution for the present edition and increasing the members of TASPEF is extra ordinary . The 2024 Directory has come with more members after 5 years mainly due to the disruption caused by the historical and global interruption caused by COVID 19 that has brought everything to standstill including functioning of TASPEF. However again TASPEF has come active from 2022, after COVID and is trying to increase its activities towards its objectives. Accordingly many initiatives have been taken up with Tamil nadu Forest Department, Department of Environment, Tamil Nadu Pollution Control Board etc. The Environment department has allotted some funds for awareness creation etc for which we are thankful. We hope other projects are in the pipeline.

Due to some administrative issues the office space allotted by the PCCF in the previous years has been vacated and the office stores have been kept in the private space provided by Thiru.V. Prabhakaran IFS, APCCF (Retd) for which we are thankful. Efforts are made to get a suitable office space in any of the Forest Department buildings soon.

The e- journal " Namadhu Vanam " of TASPEF is regularly brought out by the present Editorial Board for which we profusely thank Dr.N.Krishna kumar IFS., PCCF & HOD Retd and others who contribute the articles for the e-magazine which is very much appreciated in the circulation. We duly acknowledge the contributions made by Dr.V.T. Kandasamy IFS, Thiru D.Arun, IFS, Thiru V. Sambasivam, IFS and Thiru G.Sivagurunathan in the task of enrolling more members and bringing out this directory. Thiru V.Sambasivam IFS has taken extra ordinary efforts in adding more members and bringing out this directory 2024, which is SPECIALLY thanked and acknowledged. All the office bearers and Executive Committee members have contributed immensely which is also duly acknowledged.

We thank Thiru.M.Harikrishnan IFS.,PCCF& HOD Retd for having responded whole heartedly and graced the FOREWORD of this directory in a short notice.

We thank and acknowledge the contributions made by the Director of Environment, Field Director, KMTR, Chennai Snake Park Trust and PCCF & CPD, TBGP for their contributions made through advertisement and financial support to bring out this directory timely and colourfully.

D.Arun,
General Secretary, TASPEF

Dr.V. T.Kandasamy,
Executive President, TASPEF

ACKNOWLEDGEMENTS

I dedicate the directory of the Tamilnadu Association of Senior Professionals of Environment and Forests to our late Executive President, Thiru S. Sankaramoorthy, IFS, PCCF.

I extend my sincere gratitude to all TASPEF members who, during the 17.09.2023 AGM, entrusted me with the task of compiling this directory.

I express profound appreciation to Thiru M. Harikrishnan, IFS, PCCF, and HoFF, for graciously penning the foreword for this directory upon our request, without hesitation.

My gratitude extends to the Field Director, KMTR, Chennai Snake Park Trust and PCCF & CPD, TBGP for their support in placing an advertisement and contributing to a portion of the printing charges for the directory.

I am deeply thankful to the 33 members who responded to my request and became life members of the association, despite some colleagues not expressing interest in joining.

Special thanks are due to Dr. V.T. Kandasamy, IFS, CCF, Mr. D. Arun, IFS, CF, and all executive members for their encouragement in updating the directory. A special mention goes to Thiru Sivagurunathan, ACF, for his diligent efforts in collecting details of retired officers.

I also wish to acknowledge Mr. Ramprasath, AD, Statistics for contributing phone particulars to enhance the directory.

Furthermore, I express gratitude to Dr. Krishnakumar IFS, PCCF, HoFF, for his tireless involvement in the activities of the Association.

Sincerely,
V. SAMBASIVAM, IFS (Retd)

Office of the Principal Chief Conservator of Forests, Panagal Building, Chennai-15, Dt: 3.12.2003

Thiru J.C.Kala, I.F.S.,
Principal Chief Conservator of Forests.

...

Sub:- Forests-Forest Rest Houses-Providing accommodation to retired Forest officers in the Departmental Rest Houses.

...

The Tariff rates applicable for providing accommodation in the various Forest Rest Houses to the Forest officers on duty, other Government servants, M.L.A.'s, Parliament Members etc. are already available with the Conservator of Forests/District Forest Officer/Wildlife Wardens.

Very often retired Forest officials of the department seek accommodation in the Forest Department Rest Houses and tariff is being collected treating them as public. It has been informally represented to extend the facility of providing accommodation in all the Forest Department Rest Houses in the State to the retired Forest officers at the same tariff rates applicable to the Forest officers on duty.

The retired forest officers who have acquired good knowledge and experience in the department now engaged themselves on various projects as Consultants/Co-ordinators on Forestry/Wildlife/Ecology during their routine visits have to stay in the Forest Rest Houses to dispose of their assigned work, thereby their services can be well utilised.

Hence, it is hereby ordered that the Retired Forest Officers of the Tamil Nadu Forest Department shall be charged the same rate applicable to the Forest Officers on duty while they stay in Forest Rest Houses of the State.

J.C.Kala,
Principal Chief Conservator of Forests.
